DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

Brief Report on Webinar-2

Importance of Quality Research and Publication for Students and Research Scholars

Date of the event: 8th July 2020 at 4.00PM

Webinar on the topic “Importance of Quality Research and Publication for Students and Research Scholars”, on 8th July 2020 was organized by the Department of Electronics and Communication Engineering, Sai Vidya Institute of Technology, Bengaluru in association with IEEE SVIT Student Chapter. The Speaker for the webinar was Dr. Srikanth S Thangade, Asst. Professor, School of Electronics and Communication Engineering, Reva University, Bangalore.

Online webinar Platform: Google Meet Application

Webinar meeting Link: <https://tinyurl.com/SVITWebinarlink>

Timings: 4:30 PM to 5:30 PM

Total Number of Registrations: 260+

More than 260 participants are registered for the webinar and more than 120 Participants actively participated from various Industry professional’s/ Faculty member’s/ Research scholars/ students from many reputed institutions were witnessed the webinar. The webinar is started at 4:30 PM with formal Welcome for the speaker, Dr. Srikanth S Thangade by Dr. Venkatesha M, Branch Counselor-IEEE SVIT student branch, Associate Professor, Department of ECE. Followed by Brief introduction about the speaker was given by Mr. Sourabh Bhat, Student Secretary, IEEE-SVIT student branch.

Dr. Srikanth S Thangade has shared his experience and views on how to do research, quality publications, importance of research and how to be a successful researcher with all the participants. The session was very informative and has motivated many young students and research scholars. Vote of thanks was given by Bina R, student Chair, IEEE SVIT student branch. The feedback form was shared to all the participants at the end of the session we received more than 115 feedback forms and E-certificate was sent to all the registered participants.

Chief Co-ordinator: Dr. Narayan K, Advisor, IEEE SVIT Student Branch, Dean (R&D) and Professor Department of ECE

Head of the Department: Prof. Vikramathithan A C, Department of ECE

Webinar Coordinators:

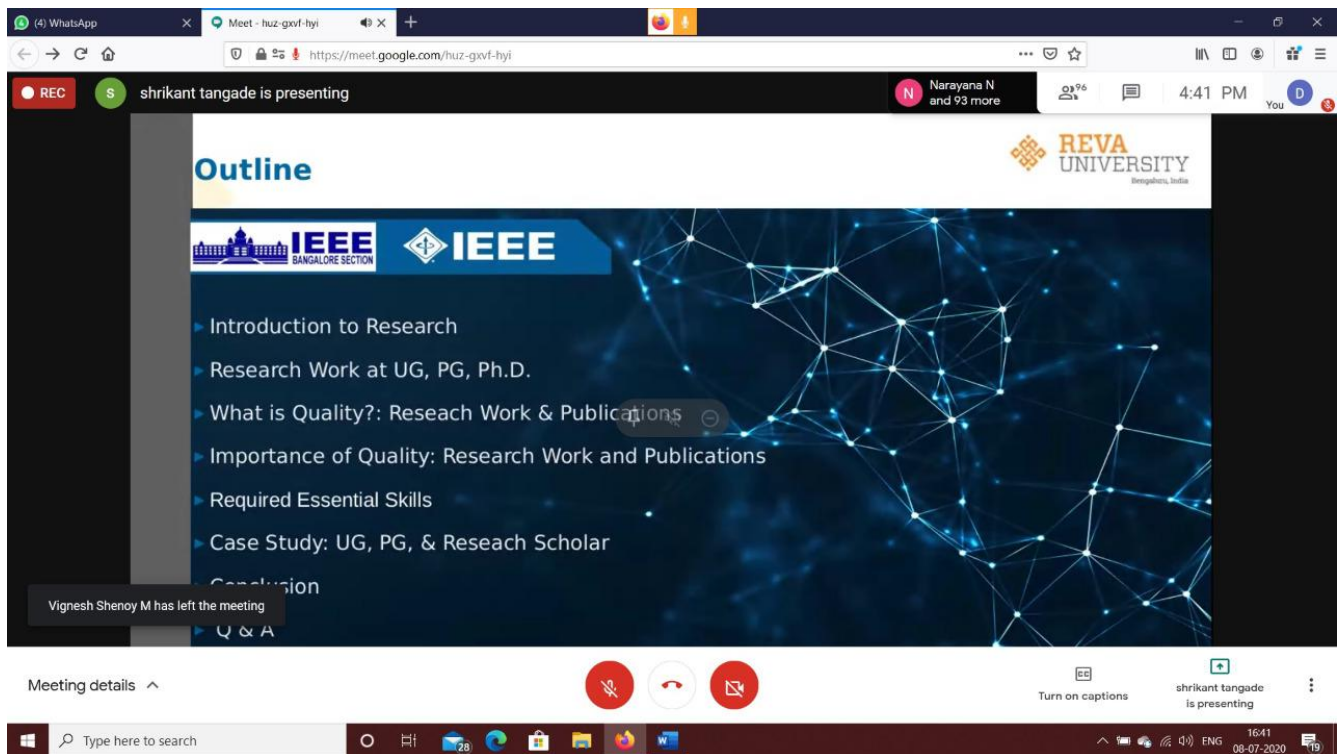

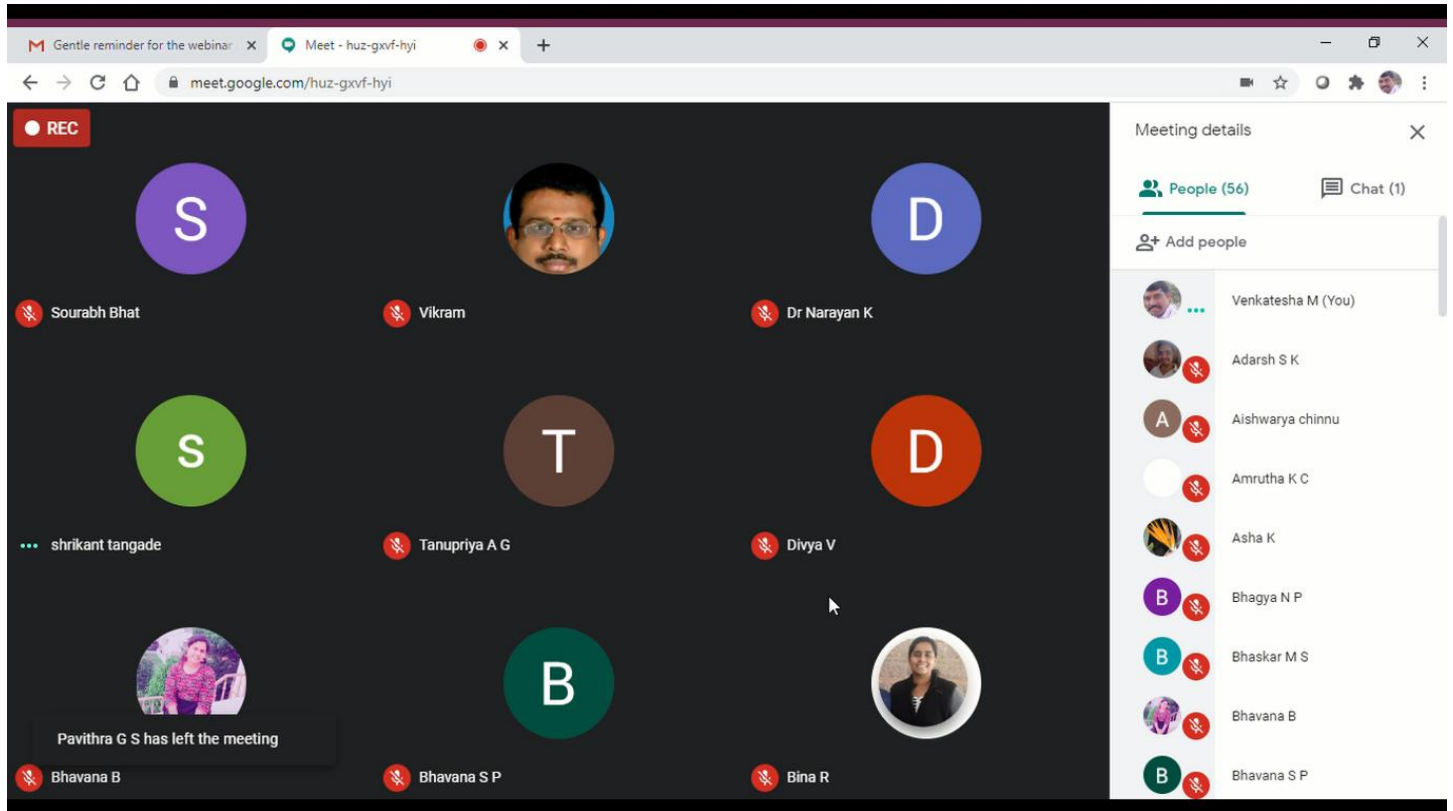

Faculty Coordinators

- 1. Dr. Venkatesha M** –Branch Counselor, IEEE SVIT Student Branch
- 2. Mr. Pavan Kumar E**, Assistant Professor, Department of ECE
- 3. Ms. Monisha Raj**, Assistant Professor, Department of ECE

Student Coordinators

- 1. Mr. Sourabh Bhat**, Student secretary, IEEE SVIT student Branch
- 2. Ms. Bina R**, Student Chair, IEEE SVIT Student Branch

Photographs taken during the Webinar :

Meeting interface showing a slide titled "Research Work at UG, PG, Ph.D." with the following points:

- Group of students (2 to 4)
- May be entirely new
- Simplification of the project (improvement)
- Increasing the application
- Implementation / simulation oriented
- Atleast 25% new contribution

Meeting interface showing a slide titled "Introduction Why Research?" with the following points:

- Analyze and work on advanced knowledge /technologies
- Research has the potential to support critical thinking
- Enrich creativity and prepares for future and open challenges
- Improves logical thinking and analytical skills
- Preparation for document writing and presentation skills
- Networking with great scientists in the world
- Allows better interaction with scientists and brainstorm discussions

REC

Required Essential Skills

Skills Are Freedom

- ▶ **Research Skills and Techniques**
 - Recognizing research problems
 - Critical thinking
 - Knowing current work in field
 - Research methods
 - Critical reviewing
 - Documenting and reporting
- ▶ **Research Environment**
 - Understanding the research context
 - Complying with ethical requirements
 - Following good research practice
 - Complying with health and safety legislation
 - Understanding research funding and evaluation
 - Justifying research methods

REVA UNIVERSITY

▶ 1) Research Topic, Literature Survey, and Problem Definition:

Research Topic: *Joint efforts; Research means that you don't know, but are willing to find out.*

Literature Survey & Finding Research Gap:
Research is to see what everybody else has seen, and to think what nobody else has thought (- Albert Szent-Gyorgyi)

Problem Definition and Objectives:
A well problem defined, is a problem half solved (-Albert Einstein)
