EVENT OVERVIEW

- The program commenced with a Prayer Song, followed by the Welcome Address delivered by Dr. J. Raja, Principal of Sri Sairam Engineering College. The event then proceeded with the Felicitation, leading into the Special Address by Mr. Sampathkumar Veeraraghavan, Founder of Brahmap Innovations.
- The Chief Guest Address was delivered by Mr. Srikanth Chandrasekaran, Country Head & Senior Director – IEEE India, Global Practice Lead for Foundational Technologies, and Founder, IEEE Standards Association. This was followed by the signing of the MoU between Sairam Institutions and Brahmap Innovations for the IEEE Blended Learning Program.
- The session then featured the Presidential Address by Dr. Sai Prakash Leomuthu, Chairman & CEO of Sairam Institutions.
- Student participants gave their feedback at the end of the program by volunteering themselves and giving insights on the prospects of IEEE Blended Learning Program.
- The program concluded with the Vote of Thanks delivered by Dr. S. Subha, SCOPE member, Sairam IEEE.

EVENT OUTCOME:

The signing of the Memorandum of Understanding (MoU) between Sairam Institutions and Brahmap Innovations for the IEEE Blended Learning Program marked a significant step towards fostering innovation-driven education. This collaboration created a platform that bridges academia and industry, enabling students to gain global exposure, access advanced learning resources, and develop future-ready skills.

The outcome of this initiative is the establishment of a sustainable learning ecosystem that empowers students and faculty with blended learning opportunities, promotes interdisciplinary knowledge sharing, and drives impactful projects aligned with IEEE's vision of advancing technology for humanity.
