Future-Ready Sessions: Full-Stack Development

Name of Organizer : Ms. Renukadevi, Associate Professor, Department of Information Technology, Sri Sairam Engineering College

Venue: Online (Google Meet)

Date of Event: 16.10.2025 [7:00 PM – 8:00 PM]

Topic: Future-Ready Sessions: Full-Stack Development

Audience: Students

Attendance: 140

Agenda:

1. **Opening Remarks**

2. **Welcome Address** – By organizing team.

3. **Welcome Note** – Ms. Renukadevi
Associate Professor, Department of Information Technology, Sri Sairam Engineering College

4. **Special Address** - G.Jagadeesh

5. **Introduction of the Guest Speaker**

6. **Speaker Introduction** – Overview of Mr.Muthukumaran Singaravelu.

7. **Keynote Speech** – CEO of Logirtha Technologies Pvt. Lt, delivered an inspiring keynote address highlighting the importance of Full-Stack Development, emphasizing how mastering end-to-end technologies empowers students to build scalable, industry-relevant solutions and stay ahead in the evolving tech landscape.

8. **Felicitation** – Honoring the speaker with a Virtual memento.

9. **Vote of Thanks**

Brief Description:

1.Event Name : Future-Ready Sessions: Full-Stack Development

2.Objective:

➔ To highlight the importance of Full-Stack Development.

➔ Gain valuable insights into how emerging technologies and full-stack development are shaping the next generation of innovators.

3.Highlights:

➔ Inspiring keynote address by **Mr. Muthukumaran Singaravelu**, CEO of Logirtha Technologies Pvt. Ltd.

➔ Interactive discussions on Full-Stack Development.

➔ Q&A session encouraging participant engagement and professional curiosity.

4.Key Features:

➔ Real-world experiences and success insights shared.

➔ Emphasis on technical growth using Full-Stack Development.

➔ Presentation of a virtual memento to the speaker in recognition of his valuable contribution.

5.Audience:

➔ Students, young professionals, and IEEE members.

6.Duration:

➔ 1-hour online session filled with interactive learning and professional insights.

7.Conclusion:

➔ The session concluded with a vote of thanks by **Mr. Jagadeesh G**, Chairperson of the SEC IEEE Student Branch Chapter. The event successfully motivated attendees to participate in IEEE CS activities and develop skills for leadership and industry excellence.

About the Event:

The **“Future-Ready Sessions: Full-Stack Development”** organized by **Ms. Renukadevi**, Associate Professor, Department of IT, Sri Sairam Engineering College, was conducted online on **16th October 2025** via Google Meet. The event witnessed active participation from around 100 students and IEEE members. The session began with an opening address, followed by a warm welcome and special address by **Mr. Jagadeesh G**, setting an enthusiastic tone for the keynote.

The highlight of the event was the **keynote speech by Mr. Muthukumaran Singaravelu**, CEO of **Logirtha Technologies Pvt. Ltd.**, who delivered an inspiring talk on **Full-Stack Development**. He emphasized the importance of mastering end-to-end technologies, integrating emerging tools, and understanding real-world applications to become future-ready professionals. The session also included interactive discussions and a Q&A segment that encouraged student engagement and curiosity.

The event concluded with a **vote of thanks** by **Mr. Jagadeesh G**, Chairperson of the SEC IEEE Student Branch Chapter. Participants appreciated the insightful session that combined practical industry knowledge with motivational guidance. The felicitation of the guest speaker with a virtual memento marked a fitting end to a session that inspired students to pursue technical excellence and leadership in their professional journeys.
