

Virtual Tour of mHUB Chicago

Thursday, Aug. 27th @ 4PM CDT

Free Registration is [Open Now!](#)

[mHUB Chicago](#) exists to ensure that the Midwestern manufacturing industry continues to accelerate, grow and thrive. We are nation's largest and fastest-growing innovation center focused on [physical product development](#) and manufacturing.

[IEEE Chicago](#) serves a network of 4,200+ local electrical and electronics engineers, researchers, technology practitioners, entrepreneurs, educators, and students. It is part of the [world's largest professional association](#) dedicated to advancing technological innovation via publications, conferences, standards, professional and educational activities.
