Consultation:
Dr. Phani Praneetha

Things to do before the dental camp:

- THOROUGHLY RINSE YOUR MOUTH AFTER BREAKFAST
- AVOID TAKING ANY DENTAL MEDICATION BEFORE VISITING DENTAL CAMP.
- TO GET BETTER DIAGNOSIS GET PREVIOUS X-RAYS ALONG WITH YOU

As part of the IEEE Day 2025 celebrations, a Free Dental Camp was organized on 11th October 2025 at Kode Venkatadri Chowdary Sports Complex from 10:00 AM to 3:00 PM. The initiative aimed to promote oral health awareness, encourage preventive care, and provide free dental consultation services to the community.

Objective

The objective of the event was to:

- Promote awareness about oral hygiene and preventive dental care among the public.
- Provide free consultation and diagnosis by qualified dental professionals.
- Encourage participants to understand the importance of oral health as a part of overall well-being.

Organizers and Registration

The camp was conducted under the banner of IEEE Student Branch , IES and WIE of VNRVJIET as a social outreach activity, aligning with IEEE's vision of "*Advancing Technology for Humanity*." Participants registered online through the link <https://forms.gle/fBh6Rr4owzehxbw16>, ensuring smooth coordination and organized participation.

Pre-Camp Guidelines

To ensure accurate diagnosis and efficient service, participants were advised to:

- Rinse their mouth thoroughly after breakfast.
- Avoid taking dental medication before attending the camp.
- Bring any previous X-rays or dental records for reference.

Consultation and Activities

The consultation session was led by **Dr. Phani Praneetha**, who offered free dental check-ups, diagnosis, and professional advice. The camp covered various aspects of dental health, including:

- Identifying common issues like cavities, gum problems, and tooth sensitivity.
- Educating participants on proper brushing and flossing techniques.
- Emphasizing the importance of regular dental visits and a balanced diet.

An awareness talk was also delivered to highlight the role of oral health in maintaining overall fitness and confidence.

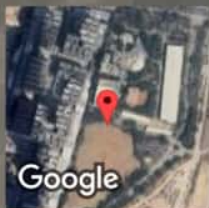

Outcome

The event received enthusiastic participation from students, faculty, and community members. Many attendees appreciated the opportunity to receive free expert consultation and practical dental advice. The initiative effectively raised awareness about oral hygiene and preventive dental care practices.

Conclusion

The Free Dental Camp, conducted as part of IEEE Day celebrations, was a great success. It served as a meaningful community service initiative reflecting IEEE's commitment to public welfare and health awareness. The event not only provided immediate dental support but also instilled the value of maintaining good oral hygiene for a healthy lifestyle.
