Event: IEEE Membership Drive

Organized by: IEEE VNRVJiet CIS in collaboration with the Department of CSE (AIML & IoT)

Date & Time: 11 October 2025 | 10:00 AM – 1:00 PM

Venue: E Block, Room 205

Introduction

On the occasion of IEEE Day 2025, the IEEE Computational Intelligence Society (CIS) VNRVJiet Student Branch Chapter, in collaboration with the Department of CSE (AIML &

IoT), organized an IEEE Membership Drive. The initiative aimed to inspire students to join the global IEEE community and understand the numerous benefits associated with IEEE membership.

Event Highlights

The membership drive served as a platform to create awareness among students about the vast opportunities IEEE offers. The session focused on the following key aspects:

- Learning about the benefits of IEEE membership.
- Exploring opportunities for professional networking.
- Gaining exposure to cutting-edge research and innovation.
- Understanding how IEEE membership aids career and skill development.

Faculty members encouraged students to actively participate in the drive and understand the value of IEEE in shaping their academic and professional journeys.

Registration and Participation

Students interested in joining the IEEE community were invited to register through the official Google Form link: <https://forms.gle/GndYSGsvzTFLSzge9>. The registration process was simple and designed to help new members connect with IEEE resources efficiently.

Event Coordinators

Faculty Coordinators:

- Dr. Y. Sagar, Professor and HoD (CSE AIML & IoT)
- Mr. U. Veeresh, Assistant Professor (CSE AIML & IoT)

Student Coordinators:

- Pavan Kumar – 8978111568
- Meghana – 8522018031

Conclusion

The IEEE Membership Drive 2025 at VNRVJIET successfully motivated students to become part of the global IEEE network. It highlighted the value of professional development, collaboration, and innovation that IEEE fosters among its members. The event concluded with enthusiastic participation and positive feedback from attendees, marking another step forward in promoting technological advancement and professional growth within the institution.
