

Autonomous Vehicles + Sr. Member Upgrade

Professional Development Event

April 17, 2019, 7:30 - 9:30pm
Saskatoon, SK

REGISTRATION REQUIRED:
NORTHSASK.IEEE.CA

Event Details:

You are invited to a networking event and information session on “How to become an IEEE Senior Member” and a speech on Autonomous Vehicles. The purpose of the event is to inform the audience what an IEEE Senior Member is, and how to become one. There will also be opportunity to network with other IEEE Senior Members who will be able to assist in the application process.

Randy Hanson, President and CEO of International Road Dynamics, will conduct the Autonomous Vehicles Presentation. This presentation provides an overview of the current state of autonomous vehicle deployments and developments and discusses societal impacts on the adoption of Autonomous Vehicles. The presentation is based on ongoing work done by CAVCOE, the Canadian Automated Vehicles Centre of Excellence. CAVCOE provides consulting services, analysis and recommendations to all levels of government, public sector agencies, private sector companies and industry associations.

Presenter: Randy Hanson

Title: Autonomous Vehicles – Progress and Potential Socio-Economic Impacts
