

## CALL FOR POSTERS

# 2019 IEEE SEM SPRING SECTION CONFERENCE - "THE NEXT BIG THING"

**IEEE South Eastern Michigan** will be hosting a poster session at the upcoming IEEE SEM Spring Section Conference – The Next Big Thing on May 2, 2019 at 19000 Hubbard Dr., Dearborn, Michigan 48126. This IEEE SEM conference is a technical and social event that highlights the cutting edge research activities and technologies to **enable the discussion of new automotive, computing, communications, medicine, robotics, energy and smart city technologies**. This will be a great opportunity to showcase your research and network with people from Industry/Academia/Government. The poster (Professionals and Students) awards will be given to the **three top presented posters**, as judged by the review committee. Poster topics related to any of **automotive, computing, communications, medicine, robotics, energy and smart city technologies** are encouraged. More information is available at: [2019 IEEE SEM Spring Conference](https://events.vtools.ieee.org/m/191793). Conference Registration is open at: <https://events.vtools.ieee.org/m/191793>

Authors wishing to participate in the poster session must submit a poster title and abstract (less than 100 words) to [SEMConference@ieee-sem.org](mailto:SEMConference@ieee-sem.org) no later than **April 28, 2019**. The suggested poster size is 4 feet by 3 feet, and should contain large text to be read from a distance. Poster authors should attend and present their posters during the Poster Session and Student Competition on the day of the conference. **Free Registration for the Primary Poster Author** (Please wait to get more information after submitting poster request). All the additional student authors for a particular poster needs to be registered as a Student Poster at the Registration link with a \$25 Fee and every participant will receive a Certificate of Participation along with the top 3 winners of the competition.
