

AUTONOMOUS DRIVING IN PRACTICE: FROM SYSTEMS TO SCALED VEHICLES

Curious about what really goes on behind autonomous driving systems?

Join us for an **IEEE ITSS Benelux Chapter** networking event that brings together industry professionals, researchers, and young talents around one shared theme: autonomous mobility.

Join us to find out more!

Date: March 12, 2026

Time: 14:00 – 17:00

Venue: AT Lab (Gemini North, TU/e, Eindhoven)
