

BIGBANG 2025 – MEGA SCIENCE FESTIVAL

EVENT REPORT

Sri Sairam Engineering College, Chennai – 44

Event Details

- **Event:** BigBang 2025 – Mega Science Festival
 - **Date:** 26.10.2025 (Sunday)
 - **Venue:** Leo Muthu Indoor Stadium, Sri Sairam Engineering College, West Tambaram, Chennai – 44
 - **Time:** 09:00 AM onwards
 - **Organised By:** LMES Academy (Chitti)
 - **Hosted By:** Sairam Institutions & Sri Sairam Engineering College
 - **Target Audience:** Students (Grade 1 – Grade 8)
 - **Number of Registrations:** Approximately 1200 Students
-

Report

Sri Sairam Engineering College, in collaboration with LMES Academy (Chitti), successfully hosted **BigBang 2025 – Mega Science Festival** on 26th October 2025 at the Leo Muthu Indoor Stadium.

The event was organized with the objective of igniting curiosity and fostering innovation among young students. The festival aimed to move beyond traditional classroom learning by providing hands-on, interactive, and experiential science demonstrations.

The program commenced at 09:00 AM with a grand assembly of participating students from various schools across Chennai. The event witnessed an overwhelming response with nearly 1200 student registrations.

The festival featured live science demonstrations, engaging experiments, interactive STEM exhibits, and expert-led sessions designed to make science simple and enjoyable. Students were encouraged to actively participate, ask questions, and explore concepts through real-time experiments.

A major highlight of the event was the large-scale stage demonstrations conducted by the R&D team of LMES Academy. These demonstrations successfully bridged theoretical knowledge with practical understanding, making complex scientific ideas accessible to young minds.

The event was supported by Sairam Institutions, which provided infrastructure and venue facilities. The collaboration reflected a strong commitment toward promoting STEM education and experiential learning.

Volunteer Experience & Contribution

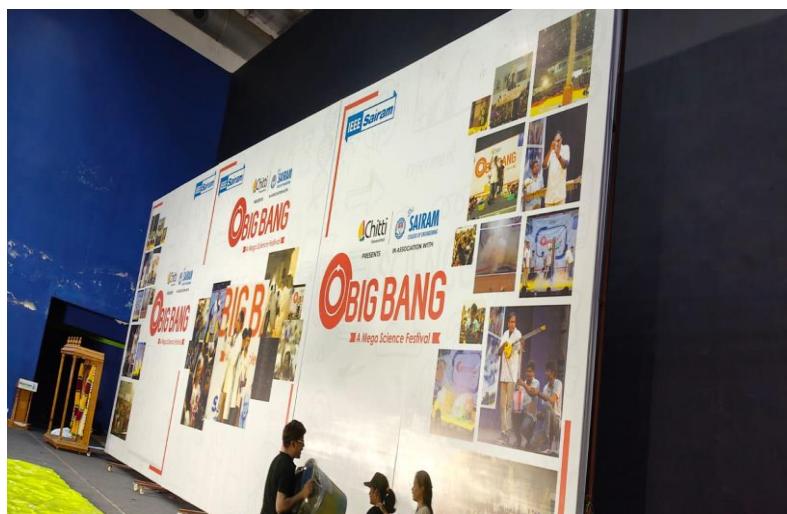

IEEE Student Volunteers of Sri Sairam Engineering College actively participated in the event under the guidance of the organizing team.

As part of the R&D and demonstration team:

- Volunteers assisted in showcasing science projects on stage.
- Facilitated interaction between presenters and students.
- Supported coordination and crowd management.
- Helped in execution of live demonstrations.

The volunteering experience provided exposure to teamwork, leadership, project presentation, and large-scale event management. It also strengthened communication skills and technical explanation abilities.

Snapshots of the event

Acknowledgements

The event was made successful through the visionary leadership and support of:

- **Mr. Sai Prakash Leo Muthu** – Chairman & CEO, Sairam Institutions
- **Dr. J. Raja** – Principal, Sri Sairam Engineering College
- **Dr. C. R. Rene Robin** – Dean – Innovation
- **Premanand Sethurajan** – Founder, LMES Academy
- Supporting mentors and organizing team members

Their encouragement and guidance played a vital role in the smooth execution of the event.

Summary & Impact

BigBang 2025 served as a dynamic platform for young students to experience science beyond textbooks. Through live demonstrations, interactive experiments, and expert engagement, the event successfully nurtured curiosity and creativity.

The collaboration between LMES Academy and Sairam Institutions demonstrated a strong commitment to innovation-driven education and STEM outreach.

The festival reinforced the importance of experiential learning and helped in creating a vibrant ecosystem that promotes scientific thinking among young learners.

The event concluded successfully with enthusiastic participation and positive engagement from students and volunteers alike.
