KEY DATES

- Receipt of Registration Form: 31st Oct' 2020
- Confirmation of Registration: 1st Nov' 2020
- Programme Date: 2nd Nov to 3rd Nov' 2020

WHO SHOULD ATTEND?

- Any student having sound IT background
- Delegates from IT industry
- Research scholars
- Academicians having relevant background

REGISTRATION

Beneficiary	IEEE Member	NON-IEEE Member
Students	₹0	₹50
Academician/ Industry person	₹50	₹100

Mode of Payment: GPay / Paytm / PhonePe

HOW TO REGISTER?

www.socet.edu.in/webinar/GC

NOTES

- All the shortlisted participants shall be notified through e-mail by the event coordinator.

- All participants will receive E-certificate.

- All the sessions will be conducted on online platform like Youtube Live, Zoom,etc.

COURSE CONTENTS

✓ Cyber Ethics
✓ Information Gathering & Scanning
✓ Google Dorks
✓ System Hacking & Security
✓ Web Application Hacking & Security
✓ Investigation Methodologies

GUJCOST, DST, Govt. of Gujarat Sponsored

Two Days National Level Webinar on

Cyber Security & Digital Forensics

2nd to 3rd November, 2020

Organized by

Department of Computer Science and Engineering (Cyber Security)

Silver Oak College of Engineering & Technology

SILVER OAK UNIVERSITY
Nr. Bhavik Publications,
Opp. Bhagwat Vidyapith, S.G.Highway,
Ahmedabad- 382481, Gujarat, India

In Association with

IEEE | Silver Oak University IEEE Student Branch

Gujarat Council on Science and Technology, Government of Gujarat

DST — Department of Science & Technology, Government of Gujarat

SILVER OAK UNIVERSITY — EDUCATION TO INNOVATION

samvaad — In Pursuit of Wisdom

ABOUT US

The Silver Oak University is a premier university of the country with a venerable legacy from Silver Oak Group of Institutes with an acclimation for highest academic standards, diverse educational programmes, distinguished faculty, illustrious alumni, varied co-curricular activities and modern infrastructure. Over eleven years of its existence as Silver Oak Group of Institutes, the group has sustained the highest global standards and best practices in education. Its long-term commitment to nation building and unflinching adherence to universal human values are reflected in its motto: "Gyanam Param Bhushanam". A strong commitment to excellence in teaching, research and social outreach, with an aim of Education to Innovation, has made the University a role-model and trend setter for other Institutes and Universities. Beginning with 240 students, it has grown as one of the largest engineering campuses with more than 7000 students just in the span of less than a decade.

ABOUT THE DEPARTMENT

The Department of Computer Science & Engineering (Cyber Security) offers UG and PG programmes. The department has a strong collaboration with international bodies and tie-ups with leading IT companies across the globe. The department has competent and devoted faculty members who strive for excellence in the field of education. Infrastructure includes state-of-the-art laboratories with high-speed internet connection and a high-end server setup. The department is committed to inculcate knowledge about latest trends in the world of technology, thus ensuring an overall development of students.

PROGRAMME OBJECTIVES

The rapid and dramatic advances in information technology in recent years have without a question generated tremendous benefits. However, they have created significant and unprecedented risks to operations. Computer Security has, in turn, become much more important to all levels of an organization to utilize information systems security measures to avoid data tampering, fraud, disruptions in critical operations, and inappropriate disclosure of sensitive information. This webinar is specifically designed to provide the right knowledge to the aspiring Hacking and Cyber Security enthusiasts. This programme will explore the various means that an intruder has, to gain access to computer resources.
