

## **IEEE PES KENYA EXECUTIVE MEETING MINUTES**

**Date: 06<sup>th</sup> May 2026**

**Venue: Online (Google meet)**

**Time: 9pm to 10pm**

Meeting chaired by: Eng. Allan Kimeli

### **Members present**

1. Eng. Allan Kimeli-chairperson
2. Eng. Jaspa Wachira
3. Eng. Lillian Kamanja
4. Clarice Gumbo
5. Pius Kariuki
6. Sara Nur

### **Agenda Items & Resolutions**

#### **1. Planning of a physical meeting**

A physical meeting was suggested. Members are to confirm their availability on 1<sup>st</sup> June for the meeting.

Clarice and Sara were tasked with finding a suitable venue. Possible venues are Karura forest or a garden as the meeting will be a picnic.

Jaspa was tasked with dealing with the budgeting and acquisition of the funds for the meeting.

#### **2. Strategic initiatives**

IEEE PES Kenya is prioritizing professional development certifications like T3 solar training and AutoCAD training to help graduates transition to the job market.

PES Kenya to spearhead formation of nuclear society to align with the energy trends in the country.

MOU with KPLC to be finalized to formalize industry partnership. Eng. Lilian to share the MOU draft for review.

### **3. Meeting schedule**

Next online meeting scheduled for 20<sup>th</sup> May to review MoU and finalize preparations for the physical meeting.

Fortnightly online meetings to continue to ensure the society is active.

### **4. Awards and recognition**

Google form created to recognize outstanding student members and young engineers by Josephine.

Minutes prepared by:

Clarice Gumbo
