the future

IC-ESI

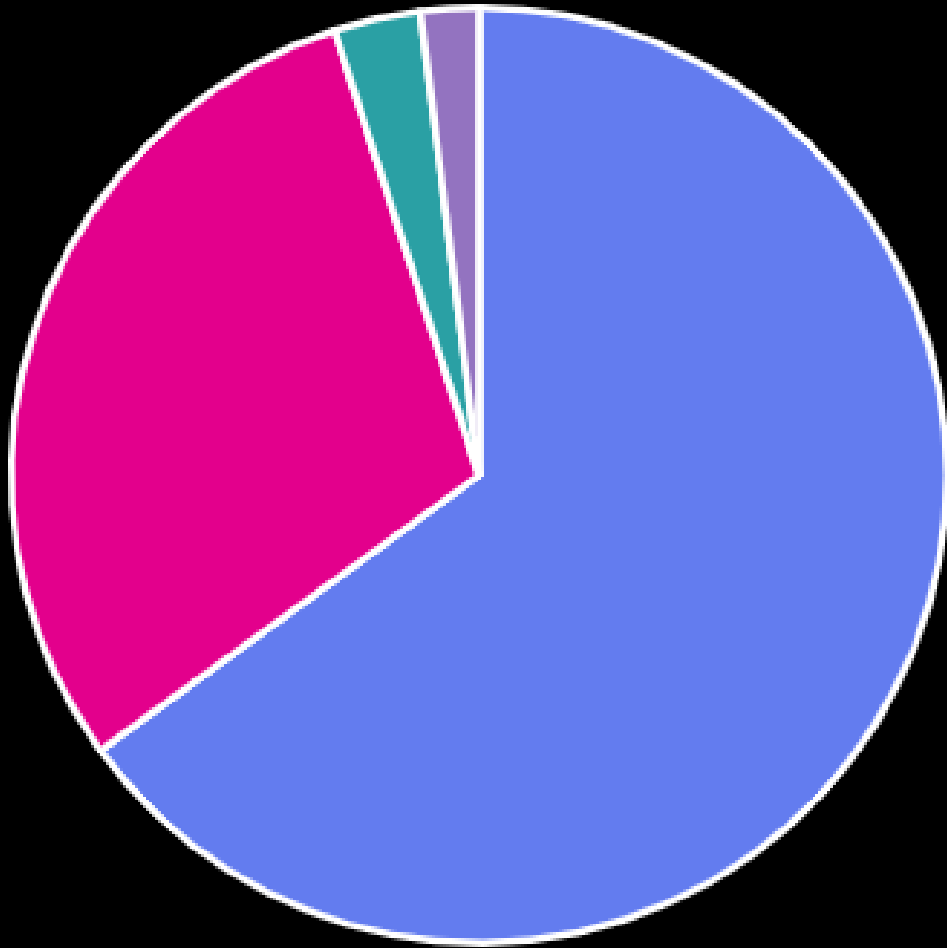

IEEE Antenna & Microwave TECH DAY

The **IEEE Egypt APS/MTTS Joint Chapter**, in collaboration with the **IEEE Antennas and Propagation Society** and the **IEEE Microwave Theory and Technology Society**, is participating in the **IEEE Antenna & Microwave TECH DAY**.

The IC-ESI'2026 | Participation Distribution

Participation Distribution by Category

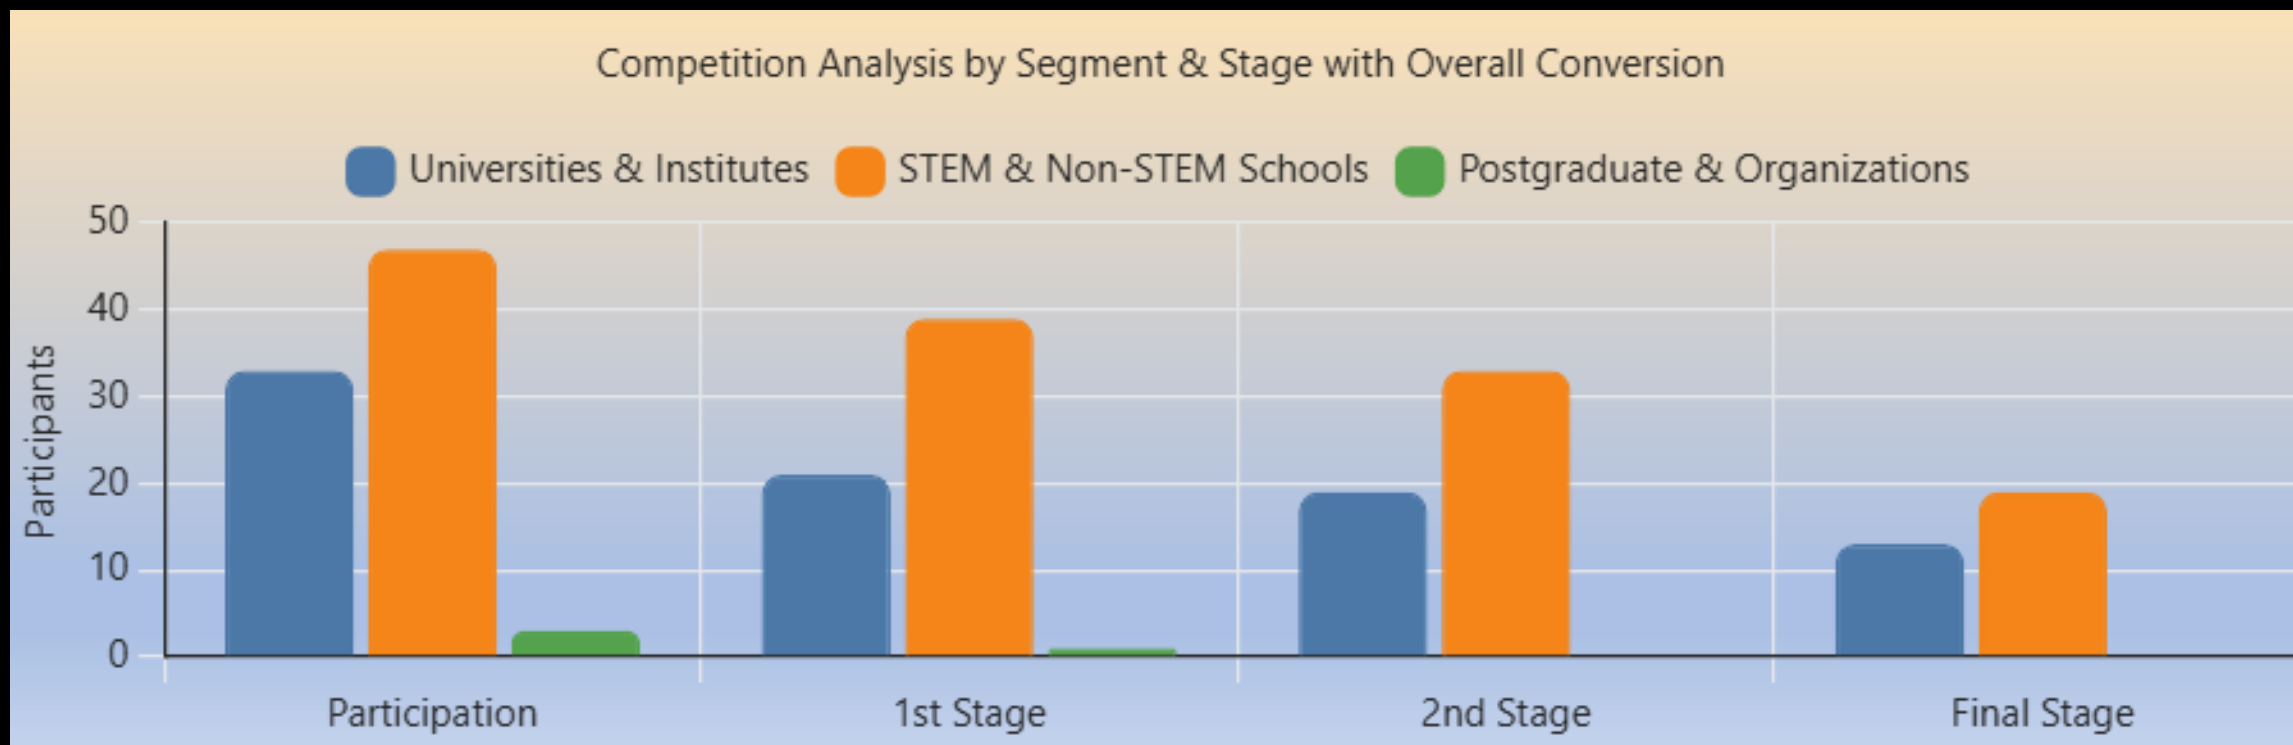

Key Insight:

- 65% → Secondary schools
 - 30% → Universities & institutes
 - ~5% → Postgraduate & organizations
-

Total Participants: 83 / Category

The IC-ESI'2026 | Summary

Total participants + overall % on top:

- **Participation** → 83 (100%)
- **1st Stage** → 61 (73%)
- **2nd Stage** → 52 (63%)
- **Final Stage** → 32 (39%)
